LB 1110

which was the same level as proposed by the Governor in his budget message. I want to remind you that 1128, which was a general appropriation bill, reflected again the same level as the Governor which was \$1.4 million less that we are currently appropriating but because a couple of other bills are before the Legislature which may or may not affect how much the body wishes to place into the resource development fund, we felt that at least the amendment should be adopted for the \$4 million level as approved by the Governor, which in effect restores part of the reduction we made and adds about \$1.6 million more than the current year's total general fund appropriation.

PRESIDENT: Is there further discussion? If not, the motion is to adopt the committee amendments. All those in favor vote aye, opposed vote no. We are adopting committee amendments to LB 1110. That is the motion. Would you please record your vote on the adoption of Revenue Committee amendments, or Appropriations Committee amendments to LB 1110. We are voting on the adoption of the Appropriations Committee amendments. Have you all voted? The Clerk will record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of the committee amendments.

PRESIDENT: The committee amendments are adopted. The Clerk has a motion.

CLERK: Mr. President, Senator Schmit as introducer would move to indefinitely postpone LB 1110.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, yesterday on another bill I told Senator Marsh I would reduce the water appropriation by \$50,000 and being a generous person I decided to give her the entire \$4 million. The truth of the fact is that 1106 has an appropriation also and I do not think it is necessary for us to discuss at great detail this appropriation at this time. I think it would be better discussed on LB 1106. In order
